

Yesterday, Republican Congressman Tom Tiffany signaled that he's getting ready to challenge Tammy for the U.S. Senate.

Now, we need to be firing on all cylinders so that we can stand up to any lies he spreads about Tammy's record and the influx of dark money backing up his baseless attacks.

[Can you chip in \\$5 or more to help us hold onto Tammy's Senate seat? We need a wave of grassroots support right now to show Tom Tiffany what he's up against.](#)

Tom Tiffany has one of the most far-right voting records in Congress, is extremely anti-choice, and even supported Trump's attempts to overturn the 2020 election... *yikes*.

We have to take his potential bid for the Senate seriously, folks. He's already received thousands of dollars in campaign contributions from Dick Uihlein, a conservative billionaire and right-wing mega donor. Last time Tammy was on the ballot, Uihlein poured millions of dollars into right-wing Super PACs who spent a *fortune* trying to defeat her — and we're certain he'll spend whatever it takes to defeat her this time around.
