“ My child ran for his life from a school shooter. For me, keeping our families safe and standing up for our rights is personal. I’m the Democrat who can **STAND UP** to John James. ”

A portrait of Emily Busch, a woman with shoulder-length blonde hair, wearing a bright pink denim jacket. She is looking directly at the camera with a slight smile.

“The freedom to control our own healthcare means everything. I’ll stand up to extreme Republicans who want to ban abortion.”

– Democrat Emily Busch

This year’s election will decide our fundamental rights. That’s why we need to elect Democrats who are unafraid to take a stand. **Emily Busch is a consistent advocate for abortion rights.** The mother of an Oxford HS shooting survivor, Emily Busch has worked with state and local leaders to protect our families from gun violence and stand up for our fundamental freedoms. **With extreme Republicans trying to ban abortion nationwide, Emily will stand up for our families’ rights to make their own personal health care decisions.**

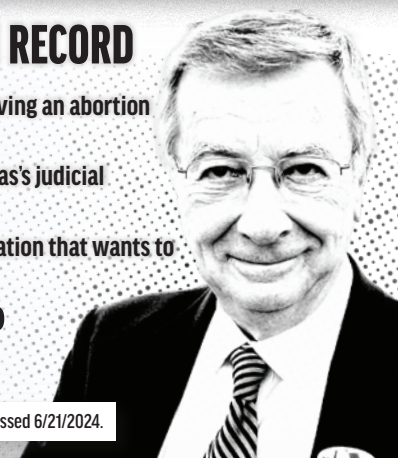

CARL MARLINGA HAS AN ANTI-ABORTION RECORD

- ✗ As a prosecutor, Marlinga tried to stop a 12 year-old girl from having an abortion after she’d been raped by her brother.¹
- ✗ Marlinga praised extreme Supreme Court Justice Clarence Thomas’s judicial philosophy, even though he helped overturn Roe v. Wade.²
- ✗ Marlinga even sought the Right to Life endorsement, an organization that wants to ban abortion without exceptions for rape or incest.³

WE CAN’T TRUST MARLINGA TO STAND UP TO EXTREMIST JOHN JAMES
