**NATIONAL REPUBLICAN CONGRESSIONAL COMMITTEE**

**NEWSALERT**

I'm uneasy, Patriot.

This is Speaker Mike Johnson, and I just had to send this email.

I've been thinking about the state of our country, and I cannot conclude anything other than America is hanging on by a thread.

Our culture has fallen so far since the founding of our country, and it's just getting worse. ***I fear America may be beyond redemption.***

**DOES AMERICA NEED MORE GOD?**

**RESPOND NOW**

Just consider the frightening drop in church attendance over the past several decades.

1 in 4 high school students identifies as something other than straight- what are they being taught in school?

***God is mocked openly in the public square.***

And you don't even want to see the filth that passes for popular culture these days.

**Let's face it- we live in a depraved culture.** I didn't want to believe it at first, but I fear God may allow our nation to enter into a time of judgment for our collective sins.

The only question is, is He going to give us one more chance to restore our foundations and return to Him?

## **DOES AMERICA NEED MORE GOD?**

### **RESPOND NOW**

I hope so, but we are teetering close to the edge. [I need to know Patriot. Does America need more God? Will you respond to this urgent question as soon as possible?](#)

America needs to recognize that we have much to repent for if we want to avoid the judgment we so clearly deserve, but that starts with returning America to God's good graces once again.

Will you do me a favor and answer this one question for me, Patriot? [Does America need more God?](#)

## **DOES AMERICA NEED MORE GOD?**

### **RESPOND NOW**

Thank you, and God Bless,

Speaker Mike Johnson
