The Honorable Jerrold Nadler
Ranking Member, House Judiciary Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Ranking Member Nadler:

As the Judiciary Committee looks to fill the vacancy left by the recent resignation of Rep. David Cicilline, we respectfully request – on behalf of the New Democrat Coalition – your consideration of Rep. J. Luis Correa to serve as the next Ranking Member of the Judiciary Committee’s Subcommittee on Administrative State, Regulatory Reform, and Antitrust.

Rep. Correa is an active member of our Coalition, as well as an enthusiastic Member of the Democratic Caucus. Throughout the years, he has served in various roles on task forces, committees and subcommittees as an advocate for blue collar communities across the nation and helped ensure the passage of critical legislation to benefit working class families.

He has been, and remains, focused on issues that impact American families each day. His experience growing up in a working-class household and advocating for communities like his has given him a unique understanding of the policies and programs that strengthen American families and the economy. Rep. Correa has fought hard for middle class communities and delivered reforms to meet their needs.

His previous professions as a banker, attorney, and real estate broker exposed him to bankruptcy and commercial law and the impacts on everyday people looking to make their own American Dream. During his time with the California State Legislature, he chaired the Assembly Committee on Business and Professions, the Public Employees, Retirement and Social Security Committee as well as the Select Committee on Mobile Homes. He also chaired the California State Senate Committee on Banking and Financial Institutions, in addition to the Committee on Governmental Organization. This extensive personal and professional experience makes Rep. Correa an excellent choice to be Ranking Member.

As Ranking Member, his priorities will be to focus on supporting all Americans in living out their American Dream – get a good education, find a good paying job to support their families, and keep food on the table.

We believe that Rep. Correa would make an excellent Ranking Member of the Subcommittee on Administrative State, Regulatory Reform, and Antitrust, and we appreciate your consideration of this request.

Thank you, and please don't hesitate to reach out with questions.

Sincerely,

Ann McLane Kuster
Chair
New Democrat Coalition
