

SUMMARY: Draft Proposal AINS for H. Res. 1027 (Discharge Rule)

DEFENDING BORDERS, DEFENDING DEMOCRACIES ACT

START: Text of [H.R. 7372, Defending Borders, Defending Democracies Act](#)

TECHNICAL: Removes option for Mexico to decline to accept expelled migrants

INSERT:

- \$4.62 billion for Dept. of Homeland Security to implement border authorities
 - \$3.08 billion for Immigration & Customs Enforcement
 - \$1.48 billion for Customs & Border Patrol
 - \$56 million for Federal Law Enforcement Training Centers
- Text of [H.R. 815: National Security Act \(Senate Supplemental\)](#)
 - Additional \$28.22 billion, including:
 - \$7.1 billion for the Foreign Military Financing Program
 - \$5.65 billion for international disaster (humanitarian) assistance
 - \$400 million for the Nonprofit Security Grant program
 - \$281 million for submarine infrastructure modernization
 - \$100 million for demining in Ukraine
 - Also includes the FEND OFF Fentanyl Act, enhances stockpile and drawdown authorities, requires the Administration to report on a strategy for U.S. support for Ukraine amidst Russia's aggression, and prohibits any U.S. funding for UNWRA.
- Presidential Loan Authority Provision for Department of State Funding
 - Requires funds provided by the State Department directly to foreign governments be considered as a zero-interest loan, revocable or forgivable by the President if it is in the national interest of the U.S.
- Reauthorization of the Ukraine Democracy Defense Lend-Lease Act
 - Stipulates that lend-lease shall be used as applicable but shall not conflict or interfere with Presidential Drawdown Authority
- REPO for Ukrainians Act (as amended)
