

“I’ve known my good friend, Democratic Leader Hakeem Jeffries, for nearly a decade, and I can personally attest American Jews and Israel are lucky to have him as an unflinching supporter and champion. In Congress, Hakeem has been an unwavering voice against antisemitism and hate. He has been a staunch advocate of the US-Israel relationship. And, beyond that, he is a man of deep integrity. Anyone who has a question about Hakeem’s character, commitment to American Jews, or to Israel is welcome to call me.”
